# Dream and a Wish Panel Correction

Changes are shown in pink.

## Supply List

$\frac{3}{8}$  yard Craft Fuse

$\frac{3}{4}$  yard fusible fleece

2" **sew-in** Velcro

## Cutting

4. Cut a 1½" piece of Velcro and sew **to** either end as illustrated.
5. **Alternate Method for Making Straps:** Cut 1 strip 1½" x WOF from each of the 1/8 yard fabrics for the bag handles. **With right sides together, sew the two strips together along the long edges. Turn the strip right side out and press. Use a safety pin to pull the nylon webbing through. Topstitch along each long edge. From this cut two handles 19" long.**
7. Pin and baste handles 1½" from the edge **on the right side of the bag exterior.**
8. Place bag interior and exterior right sides together. Sew together using a generous ¼" seam allowance on sides and a ½" seam allowance on the ends, beginning inside where the handle is basted, continuing around the bag and ending on the opposite end where the handle is basted. Repeat with opposite side leaving an opening at both ends. **Trim the corners.** Turn right side out. Press. Top stitch over center seam made on bag interior.
